KEVIN IS AT HER TRAILER, SHE DOES NOT WANT HIM THERE.

P18: I spoke with Julia on the phone and she advised that Kevin was parked behind her driveway, blocking her vehicle in. Julia advised she had been taking a shower and was "naked" and did not want Kevin there at the house. Julia advised that she knew he was there for his custody exchange, but that she was going to withhold Madeline from him again. I advised her I would come to her residence.

I responded and met with Kevin outside. Kevin advised he was there to get Madeline. I advised him that Julia was not going to give him Madeline today again. I advised Kevin that he needs to stop coming any day he wants to try and pick up Madeline for visitation. Kevin advised he has an agreement that says he gets Madeline from 1000 hrs. on Thursday until Sunday evening. I advised Kevin that he can come on Thursday and knock on her door, but if she denies him visitation, he is not to come back until the next Thursday. Kevin advised he understood.

I spoke with Julia, who stated that she is still not going to let Kevin take Madeline today and I advised her the denial would be documented. I made a few suggestions to Julia on maybe giving Kevin some supervised visitation with Madeline or even allowing Kevin to come to Madeline's counseling sessions (Julia advised Madeline is in counseling for sex abuse), where they will have a neutral observer as to Kevin's interactions with Madeline. I advised Julia everytime she denies Kevin his visitation, it is documented with our department and she advised she understood.

I advised Kevin of the things I suggested to Julia and then he departed the area. P18
